ville H. Carden, began an attack upon ers were frequently hit, but being open earthworks, it was difficult to estimate the damage. The forts were outranked and could not reply to our fire. At 2:45 in the afternoon a portion of our battleship fleet was ordered to close in and engage the forts at closer range with their secondary armament. The forts at both sides of the entrance then opened fire, and were engaged at mod-erate ranges by the Vengeance, Corn-walls, Triumph, Suffern, and Bouvet, supported by the Infexible and Aganon at long range.

European Side Silenced. "The forts on the European side were apparently silenced. One fort on the Asiatic side was still firing when the

failing light. "The action was recommenced Satur day morning after an aerial reconnaissance by British seaplanes and aero-planes. The parent airship, Ark Royal, with a number of seaplanes and aeroplanes of the naval wing, is in attend-ance on the fleet."

## French Troops Ready To Move Against Turks When Passage Is Open

bombardment of the Dardanelles fortifications by the Anglo-French fleet today slaught was repulsed. shared the interest with the German blockade of the British coast. It is believed that an agreement has been reached to endeavor to force the passage of the strait and capture Con-

There is no doubt that Russia has her hands full with the Austro-German forces and that little assistance can beexpected from her at this time against the Turks. But whether the reduction of the forts fronting the Aegeon Sea would open the way into the Black Sea question on which authorities

disagree. It would help, of course, but the entire Dardanelles is strewn with mines, and the Turks can be depended on to is developing favorably. The Germans strengthen their fortifications along the have ceased to attack in that region and narrow straits in every way. That the attempt is to be made seems certain, and the admiralty is the center of interest. It is reported a great to Turkey once the way is opened and, if the Dardanelles can be forced, there is a clear road for Russia to send troops across the Black Sea to co-operate in the movement.

## Three English Armor Clads Battered Badly In Dardanelles Fight

CONSTANTINOPLE (via wireless). Feb. 21.-Three British armor-clads, one of them the flagship of Vice Admiral Carden, have been badly damaged in an attempt to force the passage of the Dardanelles, according to an official

day and still continues, did very little damage to the forts, the shots failing to penetrate the steel and stone structures.

The forts that were under fire were Nagara-Bouron and Dardanelles, on the Asiatic side, and Bohalleh-Kalessi, Ak is walst deep, the contending forces are Bash Kale, Dermabournu, and Tham-
